

DB2 Crankshaft. New Old Stock.

New / Old Stock

£0.00
£0.00 inc VAT

Product Description:

Steel Billet Crank to suit the DB2 & DB2/4 Suitable for 2.6 & 3.0 litre Engines. NOT MKIII DBA. Please note, there is some slight surface rust on some of the journals (see images) so the Crank will require Re-Grinding prior to fitting. Considerable saving on the price of a new Crank. Crank Grinding and balancing services also available. Please contact us to discuss your requirements. Price on application. Item being sold as used. No warranty is implied or given.
